HAGGAI

SURGICAL INTERNATIONAL

Ophthalmic Specialty Instruments

HAGGAI SURGICAL INTERNATIONAL founded in 1992, is a trusted surgical instrument company in the specialty surgical instrument market. We are the largest privately-held full-line surgical instrument company offering over 25,000 instruments across all surgical specialties. The breadth and depth of our product line, combined with our commitment to total quality, makes us the best choice in the industry for overall value.

This catalog offers only a glimpse at our comprehensive ophthalmic specialty instrument line, which consists of over 2,000 patterns, manufactured in Germany from high quality stainless steel or titanium.
